

# Brooke Walker

Gymnastics Unlimited

Dear Gymnastics Family,

It is with the heaviest of hearts that we inform you of the passing of Brooke Walker. There are no words to express the devastation felt for the loss of one of our gymnasts who had such a pure heart and soul. Brooke was an accomplished Level 9 gymnast on Gymnastics Unlimited's team, the Orchard Park Gymsters. Brooke was in a tragic hiking accident this past weekend. Brooke did everything to the fullest. She put 100% into every practice and expected the same from her coaches and teammates. She was the bright light in the gym. Her positivity and confidence was felt by all who knew her. A quote from one of her coaches says it all "The impact Brooke has made on our team will stick with us forever and she has changed us all for the better." Our love, thoughts, and prayers go out to Brooke's family, coaches, teammates, and loved ones.

A gofundme account has been set up to help the Walker family with funeral costs.
